

## **African Plant Retreat in Mallorca**

**22th of May – 25<sup>th</sup> of May 2021**

**5 powerful medicines, vegan food, private room and unconditional guidance from the heart**

Exciting times we live in. More and more people are starting to understand that the outer is a reflection of your inner and this is for every human being different. There is no better medicine than Ibogaine to go within and to release what doesn't belong to your path of TRUTH.

Proud to serve soon sacred medicines to beautiful souls in Mallorca in a world class finca.

Are you ready to make your unconscious conscious? To release anything that doesn't belong to your beautiful soul? Are you ready to feel your TRUTH.

Join this retreat where we will guide you with our unconditional love.

My first Ibogaine experience was in a group of 17 people. This experience taught me to serve medicines to small groups and all of them alone in a room. Why? First I need to protect my own energy and by doing that I protect your energy. Its very important to be in solitude because inner healing is sacred and entities can be released and believe me, you don't want anyone lying next to you.

Program:

On the 22th of May you will arrive at a beautiful Finca around 12 pm. We all meet and we can share our intentions with each other. Then I give all of you already one cannabis to relax and to get settled in your room. Around 2 pm I will prepare a Syrian Rue tea that will open your heart and 30 min later you will drink a medicinal mushroom drink. You are going to process this journey by yourself, so no chatting with other people. I will be there with my friend to hold space and to guide you. I will also use the beautiful medicine Sananga during the journey. This medicine helps to open your third eye and contains also Ibogaine.

In the evening you will enjoy a beautiful vegan soup and bread. That night you will take another cannabis to sleep.

On the 23th of May you get a tea served in your room and you stay with yourself until like 1 pm. You have time to swim, to go for a walk before taking Ibogaine. That day I will

do an angel card reading one on one. Around 1.30 pm you will get to drink Ibogaine, the grandfather of all the plants. It's a beautiful plants that can give you insides about your inner, when you allow the spirit. I will check in every 1 or 2 hours to feel and to see how you are doing and maybe also to give you more. During this process you will also get cannabis to relax the mind. This process can take the whole night and its normal when you don't sleep. The next morning I will bring a magic drink to allow you to sleep and to integrate the process or to get more insights. During this day you will be spoiled with healthy juices, soup, fruit, smoothies and in the evening there is a beautiful meal where if you feel it you can share your experience. That evening you go to bed early with cannabis and the next morning you will reborn (99% of the people feel reborn, don't forget it does what it needs to do) and you will get a beautiful breakfast. After breakfast I have a on one on with you and you will receive an aftercare goody bag. We discuss also immediately an consult after to see and feel how you are doing after the retreat. There is no better time to go within and to release what you need to release. The moment you have made the decision to drink the medicine and to work with me, the process has started. So this means you can get more insights, vivid dreams. Feelings can come to the surface. You can be triggered more. Don't forget the trigger is the teacher. Those feelings are ready to be seen, felt and acknowledged. They will be released otherwise they wont come the surface. As you know I am there to guide you to your higher self and to help you to transform fear into love. Often as you have decided to drink plant medicines uncomfortable feelings come to the surface, this is a good sign. Observe them and face and embrace them. We need to FEEL in order TO HEAL.

ARE YOU READY TO LOOK WITHIN YOUR BEAUTIFUL HEART? ARE YOU READY TO REVEAL MORE LOVE?

PRICE:
